

Federal Communication Commission

July 11, 2005

Office of the Secretary  
445 12<sup>th</sup> Street, SW  
Room TW-A325  
Washington, DC 20554

To Whom it May Concern:

This letter serves as a cancellation to an appeal to the FCC in regards to HCP # 11268, REMEC TeleHealth Network – Munson Medical Center, 1105 Sixth Street, Traverse City Michigan, 49684, which was sent to the same address as above on April 21, 2004.

Funding commitment for Year Five (2002), Form 465 Application # 5218.

Charter Communications Inc. has made restitution in the amount of the rebate we would have received if they had been an approved telecommunications carrier.

It is also our understanding that Charter Communications has been given a new SPIN number, 143027605, which makes them an eligible telecommunications provider.

Please remove this appeal from the REMEC TeleHealth Network on our Funding Request (465) submission, application number 5218.

Respectfully,

Daniel J. Fly, M.B.A.  
Director  
Munson Health Care
